

My mob's bushfire safety plan

If you live in an area affected by bushfires, have a yarn with your mob about getting bush fire ready. It's important to have a plan so everyone in your family knows what to do in the event of a bushfire. Write down answers to the below questions together as a family.

1. When will we leave?

What will be the sign? E.g. smoke in area, 'very high' fire danger rating, as soon as you find out there is a fire near you.

2. Where will we meet?

Where is a safe meeting place that is away from the fire area? It might be a friend or relative's house who lives outside of your Community.

3. How will we get there?

What road will you take? What's your back up plan if a road is blocked?

4. What will we take?

E.g. identification, photos, documents, medications etc. Use the [prepare a mob safe bag factsheet](#) for ideas of what to take.

5. Who will we call to tell them we're leaving and have arrived safely?

Use the [bushfire emergency contact list](#) to make a list of important numbers to call in the event of a bushfire

6. What is our plan b?

If a bushfire is close to your home, check whether your Community has a [Neighbourhood Safer Space](#) or identify a safe location close by e.g. sporting ground or a well-prepared neighbour's home.

TIP: Once you have written your answers out, keep your bushfire safety plan somewhere you and your mob can see e.g. on the fridge or the kitchen counter.
